

CIS Service

Simple, straightforward payment solution for construction industry workers.

The CIS Subcontractors option is suitable for all those who have their own valid CIS registration and are working as sub contractors within the Construction Industry.

How the CIS Service from The NoPalaver Group works.

CIS Subcontractors solution is very simple to operate.

1. You advise us of your hours worked while ensuring that you get your signed timesheet to your agency / client by their payroll deadline.
2. We make the appropriate CIS tax deduction and pay the remainder over to you.

Further information

- You must be registered for CIS with HMRC. We will check your registration with the HMRC who will verify your eligibility for CIS and advise us to deduct tax at either 20% or 30%. We cannot pay you under this solution if you are not registered
- There are no personal obligations or duties beyond submitting timesheets, it is very easy for you to manage.
- You must qualify as self-employed and this must be the case for every contract you accept. To apply for self employment please contact HMRC on 0845 3667899
- This service is not caught by the MSC legislation.
- As you are self employed you are only entitled to the income we receive on your behalf; less our fee and CIS deduction. There are no additional benefits offered e.g. holiday pay, Statutory Sick Pay, Pensions, paternity/maternity pay.
- As a self employed subcontractor you should keep all your payslips in order to assist you in your year end accounts. You will need to fill out a tax return. Please make sure you keep all your paperwork safe.
- We can arrange for our tax team to complete your accounts and tax return at the end of each financial year.
